

AFSCME Local 2428 Steward List

How to Contact a Steward

Steward operating areas are currently divided by Zone North and Zone South. Look for your park in the list to find your zone. The best service will be provided by the steward closest to your worksite, so try to contact them first. However, Firefighters and Lifeguards should always attempt to contact their designated steward since they will be more familiar with the particular issues involved with those jobs. If in doubt, contact any steward for proper referral.

 **CHIEF STEWARD - KYMBERLY ANDERSON: (510) 544-2521 OR (510) 816-4540 - CELL**
